

Dear Sir/Madam,

As we are near the end of yet another half term and soon to be academic year, I hope you find this newsletter useful.

- We had our official opening on 19th May and were delighted that **Tony Bellew** agreed to be our special guest. He brought his world championship belt, which was much heavier than I expected! Tony was amazing with our learners, highlighting the importance of making the right decisions and going down the right path.
- Our learners continue to visit the local gym every Tuesday and Thursday afternoon. They absolutely love the sessions and the instructor speaks very highly regarding respect and behaviour.
- Our salon has had 2 new windows installed which really does brighten up the room.

- We are pleased to confirm our curriculum for next academic year. We will continue with Hair & Beauty, Construction and Art & Design. We will also be adding Health & Social Care to our vocational offer. Functional skills and Btec Science will also be delivered.
- During the next half term we will be offering free taster days to potential new learners. If you have any current year 8, 9 or 10 learners who would thrive in our setting please make contact.
- We would like to take this opportunity to wish all our Year 11's well as they go on to new ventures. They have worked so hard and have played a massive part in making Educ8 a positive learning environment.
- This term we want to celebrate the attendance of the following learners:

L Cambell	100%
D Alasaff	100%
C Cain	92%

Well done to all learners, great achievement!

If you haven't called in to say hello, please arrange a visit with Debi. Her email address is debi.capper@educ8group.com and phone number 07817 957459. We have limited places available if you would like to refer any learners.

Fitness Connections

Physical Education

Our Learners are actively working hard in their gym sessions which take place on a Tuesday and Thursday afternoon with the support of two personal trainers who have supported our learners to develop skills, accuracy and resilience.

Thanks to Craig and Steve at Fitness Connections.

A visit from the Army

Job Opportunities

A visit from the Army, to discuss learners wishing to enrol and giving insight to all the different job opportunities. Many thanks to Lieutenant Corporal Cook and Corp Tam.

Natalie Ormrod

Coaching Collective

Natalie Ormrod from the Coaching Collective has been attending the centre each Tuesday and has been working with Year 11 Learners discussing their Pathways moving into Post 16 Education/Training. This has been a great success and is ongoing until Year 11 Learners leave us in June. Natalie is doing an amazing job and learners have been really engaged.
