### 3. Summary

Educ8 Group aims to meet its statutory obligations when responding to complaints from a Learner, parent/carer, visitor, customer, local authority, regulatory body or any other interested party. We try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed.

This document meets the requirements set out in part 7 of the schedule to the [Education \(Independent School Standards\) Regulations 2014](#), which states that we must have and make available a written procedure to deal with complaints from parents of Learners in our group.

We ask that complaints are raised within 3 months of the incident.

We adopt a 3-stage process for dealing with complaints:

- Stage One – Informal Stage
- Stage Two – Formal Written Stage
- Stage Three – Appeal Hearing

If the complainant is unsatisfied with the outcome of the complaints procedure and the complaint is regarding a school site not meeting the regulatory standards, the complainant can refer their complaint to the DfE.

Educ8 may take disciplinary action against a member of staff as a result of a complaint and may also refer to 3rd parties such as OfSTED, the DBS, or the Police.

A procedure is in place to deal with persistent and malicious complaints.

The site will record the progress of all complaints pertaining to their service, including information about actions taken at all stages, the stage at which the complaint was resolved, and the final outcome. This material will be treated as confidential and held securely.

Continuous improvement is at the heart of this policy and as such regular review of the metrics recorded in relation to this policy are reviewed and appropriate actions to improve service delivery considered.

Both complaints and compliments are recorded and a suggestion box is available at all sites to allow Learners to make anonymous comments.

## 5. Purpose

Educ8 Group aims to meet its statutory obligations when responding to complaints from a Learner, parent/carer, visitor, customer, local authority, regulatory body or any other interested party.

When responding to complaints, we aim to:

- Be impartial and non-adversarial
- Facilitate a full and fair investigation by an independent person or panel, where necessary
- Address all the points at issue and provide an effective and prompt response
- Treat complainants with respect
- Keep complainants informed of the progress of the complaints process
- Consider how the complaint can feed into site or group improvement evaluation processes

We try to resolve concerns or complaints by informal means wherever possible. Where this is not possible, formal procedures will be followed.

Educ8 aim to give the complainant the opportunity to complete the complaints procedure in full.

To support this, we will ensure we publicise the existence of this policy and make it available on our website.

## 9. The Process

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title: <b>Complaints</b>		Page #: <b>10 of 20</b>	

### 9.1 Principles for investigation

When investigating a complaint, we will try to clarify:

- What has happened
- Who was involved
- What the complainant feels would put things right

### 9.2 Timescales

The complainant must raise the complaint within 3 months of the incident. If the complaint is about a series of related incidents, they must raise the complaint within 3 months of the last incident.

We will consider exceptions to this time frame in circumstances where there were valid reasons for not making a complaint at that time and the complaint can still be investigated in a fair manner for all involved.

When complaints are made out of term-time in an educational setting, we will consider them to have been received on the next working day.

If at any point we cannot meet the time scales we have set out in this policy, we will:

- Set new time limits with the complainant
- Send the complainant details of the new deadline and explain the delay

Please note working days within this policy excludes weekends, bank holidays and school/college holidays where applicable.

### 9.3 Summary of the Complaints Procedure

Educ8 Group have adopted a 3-stage process for dealing with complaints:

#### 9.4.2 The Recipient

- Will acknowledge the complaint
- Investigate and aim to resolve an informal complaint immediately
- Where an immediate resolution cannot be found the recipient will appoint an investigator

## 10. Complaints Procedure

### 10.1 STAGE 1: Informal

Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Educ8 takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

In the first instance, concerns should be addressed to the member of staff in question (the recipient) who will try to clarify the nature of the concern and the outcome being sought. An informal complaint can be made in person, in writing or by telephone.

If you have difficulty discussing a concern with a particular member of staff, you may wish to raise the matter with the Head of School (or Executive Head or directly with the Complaints Officer); we will respect

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title:	<b>Complaints</b>		Page #: <b>13 of 20</b>

your views. Similarly, if the member of staff directly involved feels unable to deal with a concern, the recipient will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

Key Contact details can be found in section 7 of this policy. If the complainant is unsure who to complain to, they should contact the Complaints Officer they will ensure a recipient is appointed.

The recipient will **acknowledge informal complaints, in writing, within 3 working days** and **investigate and provide a response within 10 working days of the acknowledgement.**

If the complainant is unhappy with the response at stage 1 and wishes to proceed to the next stage of the procedure, they should inform the Complaints Officer within 10 working days of receipt of the response.

We understand that there are occasions when people would like to raise their concerns formally. In this case, Educ8 will attempt to resolve the issue internally, through the stages outlined below.

## 10.2 STAGE 2: Formal Written Stage

The formal stage involves the complainant putting the complaint into writing by email or letter. This should provide details such as:

- Relevant dates and times
- The names of witnesses of events
- What the complainant feels would resolve the complaint

The letter or email should be submitted alongside copies of any relevant documents in support of their complaint. Please refer to the key contacts in section 7 of this policy for details of where to send the letter of complaint.

If complainants need assistance raising a formal complaint, they can contact General Enquiries referred to in section 7.

The recipient will **acknowledge formal complaints, in writing, within 3 working days.**

The recipient (or another person appointed by Educ8 Group for this purpose) will then conduct their own investigation and **provide a response within 20 working days of the acknowledgement.**

If the complainant is not satisfied with the response and wishes to Appeal, they should inform the recipient in writing within 10 working days of receipt of the response.

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title: <b>Complaints</b>		Page #: <b>14 of 20</b>	

### 10.3 STAGE 3: Appeal Stage

Complaints will be escalated to the Appeal stage if the complainant is not satisfied with the response to the complaint at the second, formal written stage.

A panel will be appointed by, or on behalf of, the Executive Board and must consist of at least 3 people who were not directly involved in the matters detailed in the complaint. At least 1 panel member must be independent of the management and running of the site. (The panel will not be made up solely of Executive Board members, as they are not independent of the management and running of the site.)

The panel will have access to the existing record of the complaint's progress.

The complainant must have reasonable notice of the date of the review panel; however, the review panel reserves the right to convene at their convenience rather than that of the complainant. We will **aim to find a date within 7 working days of the request**, where possible.

The complainant must be allowed to attend the panel hearing and be accompanied if they wish. However, if the complainant rejects the offer of 3 proposed dates without good reason, we will set a date.

The hearing will go ahead using written submissions from the complainant.

Neither the complainant nor Educ8 Group will bring legal representation as the panel meeting is not a form of legal proceedings. The aim of the panel hearing is reconciliation and to put right things that may have gone wrong. However, we recognise there are occasions where legal representation may be appropriate during panel hearings. For example, if an employee is a witness in a complaint, they may be entitled to bring union or legal representation

At the review panel meeting, the complainant and representatives from the site/Educ8 Group, as appropriate, will be present. Each will have an opportunity to set out written or oral submissions prior to the meeting.

At the meeting, each individual will have the opportunity to give statements and present their evidence, and witnesses will be called, as appropriate, to present their evidence.

The panel, the complainant and the site/Educ8 Group representative(s) will be given the chance to ask and reply to questions. Once the complainant and site representative(s) have presented their cases, they will be asked to leave and evidence will then be considered.

The panel will then put together its findings and recommendations from the case. The panel will also provide copies of the minutes of the hearing and the findings and recommendations to the complainant and, where

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title: <b>Complaints</b>		Page #: <b>15 of 20</b>	

relevant, the individual who is the subject of the complaint, and make a copy available for inspection by the Executive Board and Head of School.

The panel chair will **inform those involved of the decision in writing within 7 working days.**

#### 10.4 Referring complaints as part of this procedure

If the complainant is unsatisfied with the outcome of the complaints procedure and the complaint is regarding a school site not meeting the regulatory standards, the complainant can refer their complaint to the DfE concerning any of the following areas:

- Education,
- Pupil welfare and health and safety,
- School premises,
- Staff suitability,
- Making information available to parents, or
- The spiritual, moral, social or cultural development of pupils.

The DfE will consider reports of a major failure to meet the standards. Where appropriate, it can arrange an emergency inspection to look at pupil welfare and health and safety, and make sure that the school deals with serious failings.

For more information or to refer a complaint, see the following webpage:  
<https://www.gov.uk/complain-aboutschoo>

10.4.1 As the nature of our work involves working with children or vulnerable people, we are especially aware of our duty to ensure safe and ethical practices. In some cases therefore, whilst confidentiality may be requested, we are obliged by law to report this to the appropriate body. If, through the course of managing a complaint, we discover that a referral to an independent body (eg. the DBS, OfSTED, the Police) is required, this may be made separately to any disciplinary investigation that may take place.

10.4.2 If a complaint prompts an investigation into the behaviour or actions of one or more of our employees, we will use our disciplinary procedure to fairly deal with the matter. This may mean that details of the complaint are used as evidence in disciplinary proceedings. The customer/service user will be made aware of this and will be asked whether they agree to have their name disclosed.

## 11. Persistent Complaints

### 11.1 Unreasonably persistent complaints

Most complaints raised will be valid, and therefore we will treat them seriously. However, a complaint may become unreasonable if the person:

- Has made the same complaint before, and it's already been resolved by following the Educ8 Group complaints procedure
- Makes a complaint that is obsessive, persistent, harassing, prolific, defamatory or repetitive
- Knowingly provides false information
- Insists on pursuing a complaint that is unfounded, or out of scope of the complaints procedure
- Pursues a valid complaint, but in an unreasonable manner e.g. refuses to articulate the complaint, refuses to cooperate with this complaints procedure, or insists that the complaint is dealt with in ways that are incompatible with this procedure and the time frames it sets out
- Changes the basis of the complaint as the investigation goes on
- Makes a complaint designed to cause disruption, annoyance or excessive demands on the site's or group's time
- Seeks unrealistic outcomes, or a solution that lacks any serious purpose or value

### 11.2 Steps we will take

We will take every reasonable step to address the complainant's concerns, and give them a clear statement of our position and their options. We will maintain our role as an objective arbiter throughout the process, including when we meet with individuals. We will follow our complaints procedure as normal (as outlined above) wherever possible.

If the complainant continues to contact the site or group in a disruptive way, we may put communications strategies in place. We may:

- Give the complainant a single point of contact via an email address
- Limit the number of times the complainant can make contact, such as a fixed number per term

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title: <b>Complaints</b>		Page #: <b>17 of 20</b>	

- Ask the complainant to engage a third party to act on their behalf, such as [Citizens Advice](#)
- Put any other strategy in place as necessary

### 11.3 Stopping responding

We may stop responding to the complainant when all of these factors are met:

- We believe we have taken all reasonable steps to help address their concerns
- We have provided a clear statement of our position and their options
- The complainant contacts us repeatedly, and we believe their intention is to cause disruption or inconvenience

Where we stop responding, we will inform the individual that we intend to do so. We will also explain that we will still consider any new complaints they make.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from our sites.

### 11.4 Duplicate complaints

If we have resolved a complaint under this procedure and receive a duplicate complaint on the same subject from a partner, family member or other individual, we will assess whether there are aspects that we hadn't previously considered, or any new information we need to take into account.

If we are satisfied that there are no new aspects, we will:

- Tell the new complainant that we have already investigated and responded to this issue, and the local process is complete
- Direct them to the DfE or CQC as applicable if they are dissatisfied with our original handling of the complaint

If there are new aspects, we will follow this procedure again.

### 11.5 Complaint campaigns

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title: <b>Complaints</b>		Page #: <b>18 of 20</b>	

Where a site receives a large volume of complaints about the same topic or subject, especially if these come from complainants unconnected with the site, the site may respond to these complaints by:

- Publishing a single response on the site’s or group’s website
- Sending a template response to all of the complainants

If complainants are not satisfied with the school’s response, or wish to pursue the complaint further, the normal procedures will apply.

## 12. Record-keeping and confidentiality

- 12.1 The site will record the progress of all complaints pertaining to their service, including information about actions taken at all stages, the stage at which the complaint was resolved, and the final outcome. The records will also include copies of letters and emails, and notes relating to meetings and phone calls.

This material will be treated as confidential and held securely, and will be viewed only by those involved in investigating the complaint or on the Appeal Panel.

This is except where the secretary of state (or someone acting on their behalf) or the complainant requests access to records of a complaint through a subject access request under the terms of the Data Protection Act, or where the material must be made available during a school inspection or police investigation.

- 12.2 Records of complaints will be kept securely, only for as long as necessary and in line with data protection law, our privacy notices and the Educ8 Group retention schedule.

The details of the complaint, including the names of individuals involved, will not be shared beyond those who need to know in case an Appeal panel needs to be organised at a later point.

- 12.3 Where the senior team and those undertaking a governance role at a site are aware of the substance of the complaint before the Appeal panel stage, Educ8 Group will arrange for an independent panel to hear the complaint.

Complainants also have the right to request an independent panel if they believe there is likely to be bias in the proceedings. The decision to approve this request is made by Educ8 Group, who will not unreasonably withhold consent.

<b>Procedure</b> ISO 9001 – Educ8		Document #: <b>6</b>	Issue: <b>4.1</b>
Title: <b>Complaints</b>		Page #: <b>19 of 20</b>	

### 13. Continuous Improvement

- 13.1 The Complaints Officer will review any underlying issues raised by complaints with the Head of School or specific members of the local site team where appropriate, and respecting confidentiality, to determine whether there are any improvements that the site can make to its procedures or practice to help prevent similar events in the future.
- 13.2 Educ8 Group will receive regular reports on the types of complaints received in each site in order to support the development of appropriate support structures, and to inform any improvements to procedures or practises.
- 13.3 The Executive Board will review any underlying themes and issues raised by complaints across the group and determine whether there are any improvements that sites can make to their procedures or practice to help prevent similar events in the future.
- 13.4 Suggestion Box
- As well as learning from complaints, we want to know any comments or suggestions that Learners may have to help us improve our services. Learners can do this by telling a member of staff about their comment or suggestion or by putting their comment or suggestion in writing using [F0055QT You Said We Did Form](#). These are made available at all Schools in paper form and can be completed anonymously.
- 13.5 Compliments
- Where you are particularly happy with the service you have been provided you may feel it appropriate to pass a compliment.
- Please either pass this on to the Head of School verbally or provide it in written form via email to [enquiries@educ8group.com](mailto:enquiries@educ8group.com)
- In addition Learners can also complete [F0055QT You Said We Did Form](#) as described above.

### 14. Metrics

The Complaints Officer will report on the number of complaints and compliments received on a termly basis to the Executive Board.
