

Dear Sir/Madam,

At Educ8 Liverpool we are very proud of our learners and would like to share with you some of the work they have produced this half term.

Learners participated in a whole school spelling bee last month. This was a fun literacy based competition which encouraged learners to study a selection of spellings prior to the competition day.

All learners joined in and the competition was fun and competitive as they battled to spell out commonly confused words and the final saw Callum take the victory.

This event was a great success and we look forward to the next competition.

These are pictures from our applied science unit 'protecting the environment'.

The learners chose to make bird boxes as their practical way to help the bird population in the community.

The hair and beauty group are working on wedding themes, creating mood boards using different materials, practising wedding hair styles, makeup and all things bling.

We will also be visiting the hair and beauty salon at Hugh Baird College after half term.

We will also be visiting the Williamson tunnels for construction after half term.

Below are a few designs created by a Y11 learner for her Art & Design 12 Printmaking unit.

Attendance

100% Demmi

98% Callum

Reward scheme - Congratulations

Big Congratulations to Callum and Robert both boys achieved Gold award and Martin achieved Silver Award this term and were awarded with Vouchers, keep up the good work boys!!

Upcoming trips

Next term our learners will be visiting the Hair & Beauty salon at Hugh Baird College. Over the years we have built up a very positive relationship with them and they have donated a huge amount of furniture and resources to us. It will be great for our learners to visit and build links to hopefully the college being their next step on their journey. Our construction learners will also be visiting the Williamson tunnels.

If you haven't called in to say hello, please arrange a visit with Debi. Her email address is debi.capper@educ8group.com and phone number 07817 957459. We have limited places available if you would like to refer any learners.
