

Dear Sir/Madam,

I hope you all had a nice half term break. Our Ofsted report has been published and I hope you can see the hard work and effort that has gone in to make our learners experience with us a positive one. The inspection was fair and has highlighted areas for improvement that we all feel are achievable. We are very proud to have been graded 'good' for behaviour. This is something our staff have focussed on and our learners have bought into their ideas. We are already looking forward to the next inspection, confident that we will be recognised as a good school.

Our new staff have settled into life at Educ8 and I have to say that the last half term is one of the best we have ever had. The timetable is working well, with focus on Maths and English in the morning alongside Science and PSHE, vocational lessons take place in the afternoon. Our learners also enjoy their weekly P.E sessions at the local gym.

### Good news story

One of our YR 9 learners Joe was selected to travel to Northern Ireland to attend the Mini Mox Competition, with the Irish Guards Regiment. This competition was around Marching and Discipline, Joe loved the experience and is looking forward to attending again next year.
