Re: Latest Ofsted report May '25

Dear Parents and Carers,

Please find a link to our latest Ofsted report: <https://shorturl.at/1U08r>

As a result of the report some significant changes have already been implemented.

As well as bringing an Executive Headteacher onboard, who has over 29 years' experience in secondary education—ten and a half of those as a headteacher—we have introduced a range of attendance and safeguarding systems and practices, are undertaking a thorough review of the curriculum offer, and have already begun a comprehensive programme of staff training and development to ensure that students receive a high-quality educational experience in a safe and nurturing environment.

We would like to invite all parents and carers to a meeting at Educ8 Liverpool on Friday 11th July, 1:45pm to discuss the report and answer any questions you may have.

Kind regards,

Neil Prince
