

## SEPTEMBER NEWSLETTER

### 23-24 Welcome

As it's the start of the new academic year we would like to wish you all a fantastic 23-24 academic year. We are looking forward to this new academic year, and to welcoming more learners through the doors at Educ8 Leicester. A huge focus at Educ8 Leicester is to get our learners active as part of a healthy lifestyle. With this in mind, we have listened to suggestions from learners past & present, and we are looking forward to re-engaging with the local boxing club to accommodate some practical sessions. Educ8 has a new sports classroom for this new year allowing more learners to attend the course, which creates a much better learning environment.

### Key Stage 3 day

From after October half term we will be re opening our key Stage 3 day on a Friday.

These sessions focus on engagement and are themed term by term. More information is available by contacting Mason Yates, [leicester@educ8group.com](mailto:leicester@educ8group.com), 0116 403 0307, 07817 957486

### OFSTED

We will be applying for Independent school status at the end of this month with a planned opening date of the 8th April 2024 if successful.

### 23-24 Curriculum

We are pleased to confirm our curriculum for this academic year. We will continue with Level 1 Sport and Construction and we are pleased to announce that we will also be adding Level 1 Business to our vocational courses on offer. Functional skills Maths and English as well as BTEC Science will also be delivered.

### 23-24 Charges

Our charges for 23-24 are 83.50 per day per learner which includes a meal.

### Good News Story

Finally, a success story from last year. This learner achieved a record amount of certificates and completed every course educ8 had to offer. Away from the academic side we saw him grow up as a person and develop his people skills. We are proud to hear he got accepted into college and we wish him the best going forward.
