

21/11/2025

Dear Parents and Carers,

We hope you and your family are well. We are writing to inform you of some upcoming timetable changes at Educ8. These updates are being introduced to help our staff better meet the needs of all students and to further improve the quality of education we provide, in line with our Ofsted action plan.

Over recent weeks, we have carefully reviewed our timetable structure to ensure that it fully supports teaching, learning, and student progress. As a result, we will be simplifying the timetable to improve the delivery of lessons, provide stronger subject coverage, and create more opportunities for smaller-groups and 1:1 support where it is needed most.

Key Changes

- The school day will run from **9:00am to 2:00pm**.
- **Twilight sessions** will operate from **2:00pm to 3:30pm** and will provide targeted support and intervention for selected students. Attendance for these sessions will be arranged and agreed with parents in advance.
- These changes will take effect **from the week commencing 1st December**.

Impact on Students

We are confident that these changes will have a positive impact on student learning. The updated timetable will support a higher quality of teaching across all subject areas and allow us to provide additional, tailored support to help every student achieve and make strong progress.

Please note that the end of the school day will now be **2:00pm** for all students, unless they are invited to attend a twilight session.

Parent Actions

There is nothing you need to do at this stage. All arrangements will be communicated directly by the school should your child be selected for additional support.

You can find the updated timetable attached at the end of this letter.

If you have any questions regarding these changes or about school operations, please contact **Owen Howell**, who will be happy to support.

Thank you for your continued partnership and trust in Educ8. We look forward to the positive impact these improvements will bring for our learners.

Warm regards,
Owen Howell
